WE HELP YOU WITH TECHNOLOGY

Since 1995, Austin Free-Net has provided technology training and devices to adults across Greater Central Texas.

We offer programs to meet diverse needs and assist individuals from all backgrounds, providing services in both English and Spanish.

WALK-IN PUBLIC COMPUTER LABS

Quick help is available in all computer labs for your smartphone, tablet, or computer. To ensure everyone gets assistance, instructors and volunteers rotate between visitors. If you need longer, one-on-one assistance, call or visit to schedule a private lesson.
